I'm an artistic model who travels the world. I try my best to create images that portray different aspects of the human spirit from beauty to strength, fear and many more emotions! My goal is to make people think and feel when they see my images. I want to tell a story in just one frame. A few years ago I could never have imagined being a full-time model and now I'm really living my dream and could not be happier.

Sexiest Feature: My fabulous ink and amazing booty

Since the beginning of March 2012 I have been making photos as a model. I really enjoy working as a model. In May 2013 I got my first tattoo. That was a long-awaited wish since my 18th birthday. I now have over 50 tattoos. My passion for photography has not limited this. On the contrary, I associate two things I like, my tattoos and photos. My homepage for bookings is www.wildcat-ink-sarai.de I also work as a cam girl: www.wildcatink.net

Check out my Facebook page "Wildcat" where you'll find more pictures, videos and information about me and my passion for art. I've also been in numerous other magazines: Tattoo Erotic, Biker News, Tattoo Inferno, Tattoo Energy, Tattoo Art Magazine Tetovani, Inked Barbie Magazine, Surreal Beauty Magazine, etc.
